Residential bathroom

Sandringham is the ideal blank canvas for any new bathroom. Beautifully simple, refreshingly affordable, it adapts to any decorative style. For a soothing modern sanctuary, team the suite with contemporary chrome taps and mixers and a palette of white and soft neutrals.

Understated elegance for the domestic bathroom or cloakroom: Sandringham Classic is a fresh new take on the period look. A distinctive upstand on the basin and WC and a classically proportioned pedestal give this popular range its traditional feel.

Sandringham ◀

BASIN	S2112	Sandringham 560mm washbasin, 1 taphole.

	S7287	Priory bath pillar taps.

Sandringham is available in white, chablis and honey moon, Sandringham Classic is available in white only.

Residential en-suite and cloakroom

Clean lines in classic white offset the space restrictions of the average en-suite bathroom. Whatever effect you are aiming for, Sandringham's timeless design will always fit the bill, enabling you to elevate a practical room to a lifestyle statement.

Scale down the style for the smallest room. Sandringham's tastefully proportioned handrinse basin is a space-saving alternative for any cloakroom. Combined with neat bathroom furniture, a back-to-wall WC and semi-countertop basin ensure an uncluttered, easy-to-clean shower room.

Residential products

It's rare to find a budget range that offers sleek, contemporary styling as well as more traditional shapes. Close-coupled, wall hung or back-to-wall WCs; lever and push-button dual flush options; a choice of sizes, tapholes and pale neutral shades... Sandringham Select has solutions for even the smallest domestic bathroom.

Non-residential taps and mixers

We know from experience the most popular and practical options for commercial environments. Our all-chrome selection comprises a basic crosshead design, a non-concussive tap that prevents flooding, and a single-lever model simple for even less-abled or mucky-handed customers to use.

Guarantee

Lifetime

ALL CERAMIC PRODUCTS (INCLUDING ACCESSORIES)

25 years

ON ACRYLIC BATHS

5 years

ON STEEL BATHS, BATH PANELS, FURNITURE, TAPS
AND MIXERS, TOILET SEATS AND CISTERN FITTINGS

Our confidence in the quality and reliability of our product allows us to offer outstanding extended guarantees on all our products – where the product fails within 5/25 years/lifetime we offer a free replacement or replacement part (or nearest equivalent). So when your bathroom has been satisfactorily installed and is working well, please ensure you register your guarantee.

This guarantee is transferable – it applies to the product not the purchaser provided guarantee registration are passed on to the new owner.

Liability is limited to individual products and the extended guarantee does not cover the consequential loss or damage or installation costs.

This guarantee does not affect your statutory rights.

Products must be installed, used and cared for in line with our fixing instructions and local bye-laws. Parts (eg ballvalves, syphons and diaphragms) are guaranteed for five years and will be replaced if found to be faulty.

The guarantee does not cover general wear and tear.

Applies to UK and Republic of Ireland only.

You can register for guarantees on a bathroom bought on your behalf by a plumber or builder.

Important installation information

A key element in the performance of a bathroom is the quality of the installation. We recommend you use a plumber from a registered association and consult him (or her) right from the start. Your local Armitage Shanks stockist may offer a plumbing service or, if not, will be able to recommend a qualified plumber.
